## Wild Iris is Seeking New Writers!

Are you an experienced educator and medical writer? Do you have a background in writing continuing education courses? Are you current with evidence-based practice in nursing?

Wild Iris contracts with writers/educators who can help us update and review existing courses as well as create new courses. Current topics include asthma, acute wound care, coronary artery disease, cancer, and addiction.

If you are qualified and interested in working with our team, please email a **resumé** and **education writing sample** to [editorial@wildirismedical.com](mailto:editorial@wildirismedical.com).

**AN EXCLUSIVE DISCOUNT FOR YOU —**

**TAKE 10% OFF ANY COURSE**

Enter the discount code when you register.

*Offer ends May 31, 2011.*

***Thank you for orchestrating such a wonderful CEU site.  
I am always confident I will gain great information and  
receive appropriate credit for the time put into the courses.***

— K. Briggs —

Wild Iris Customer

Wild Iris Medical Education, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

In California, we are an approved provider of continuing education for RNs, LVNs, and respiratory therapists by the California Board of Registered Nursing (CBRN Provider #12300), and in Florida, by the Florida Board of Nursing (#NCE3403).
